CUSTOMS AND EXCISE DIVISION**

**NOTICE TO IMPORTERS AND EXPORTERS
NO 20 OF 2013**

**CHANGING THE WAY WE WORK TO A TECHNOLOGY DRIVEN
WORKPLACE [7]**

All Importers and Exporters are advised that the Customs and Excise Division in its continued path towards trade facilitation has implemented the electronic submission of the advance cargo manifest as stated in our notice no 18 dated the 15/11/2013.

As a result, with immediate effect the self assessment process for declarations entered on the CBCS cannot proceed to the assessment stage without the manifest being registered on the CBCS by the shipping agents.

All Importers and Exporters are to be guided accordingly.
